Honourable MEC

RE: DUMELA COMMUNITY LIBRARY - DUMELA VILLAGE

Following the telephone conversation earlier on today 11 April 2019 between the writer hereof (Hosi Mdungwazi Joseph Maluleke) and the Honourable MEC Me Thandi Moraka, I hereby confirm the following as agreed during our conversation:

1. As the MEC you requested that I send you the letter of my appointment as the Senior Traditional Leader of Mulamula Traditional Authority.
2. Same was forwarded to you and you acknowledged receipt thereof.
3. In addition to the letter from COGHSTA, I also forwarded to you all my appointment letters from the office of the HOD and Vhembe District Office. You also confirmed receipt thereof.
4. You asked me of the place I want the Dumela Community Library as approved and confirmed by the Premier to be built. I indicated that the library should be built at Dumela village as it is the people of Dumela who asked and applied for the library and not the people of Mulamula.

5. As the MEC you indicated that if that is what we want your office will send its officials to Dumela village to do a feasibility study.
6. You raised concern of the issue about the fruitless expenditure of which I indicated that such should not be an issue because from the beginning the library was for the Dumela village and not Mulamula village.

I hereby confirm that we await the official from your office as promised and I also confirm that based on our conversation all the activities about the building of the Dumela Community library at Mulamula village will be kept on abeyance pending your office feasibility study at Dumela village.

I believe you will find the above in order. I will highly appreciate it if you may acknowledge receipt of this letter and confirm its contents thereof.

Yours faithfully

Chief Mdungwazi Joseph Maluleke (Photani)

Senior Traditional Leader

Mulamula Traditional Authority

Mulamula Area

Collins Chabane Municipality

072 778 5404

A handwritten signature in black ink, appearing to read 'Maluleke', with a large, sweeping flourish above it.
